

Duke Energy Career Opportunities

Join the largest utility company in the U.S.

About us

Duke Energy makes life better for millions of people every day by providing electric and gas services in a sustainable way, affordable, reliable and clean.

We are the largest electric power holding company in the United States, supplying and delivering energy to approximately 7.4 million U.S. customers. We have approximately 52,700 megawatts of electric generating capacity in the Carolinas, the Midwest and Florida and natural gas distribution services in Ohio and Kentucky. Our commercial and international businesses own and operate diverse power generation assets in North America and Latin America, including a portfolio of renewable energy assets.

Headquartered in Charlotte, N.C., Duke Energy is a Fortune 125 company traded on the New York Stock Exchange under the symbol DUK.
